***Subject** Letter no: 1239, dy 10/6/03 from the Dy Comr, Mysore district, submitting an estimate for Rs 275/- for preparing remittance books.

Note

Secretary's queries dy 16/6/03 on a slip. "Are such new purchases included in yearly returns? If not what is the check employed?"

Enquiry was made in the Gl Br as to whether they receive returns of purchases, and whether the purchases under reference are included in them. They say that lists of books and furniture are being received from all the Districts except Mysore. Why the return is not received from Mysore is not known.

Submitted for orders as to whether the passed draft may be given issue and the file then transferred to Gl Br for answering Secretary's queries.

Deputy Commissioner, Mysore Dist

To,

A.V. Narjundayya Esqr. M.A. M.L.,
Secretary to the Government,
General and Revenue Depts.

Sir,

I have the honor to submit herewith for sanction an estimate for Rs 275, being the amount required for preparing 50 remittance boxes for the use of the Mysore District Treasury.

2. It was originally contemplated to get these boxes from the Hosur Treasury at Bangalore but the idea was given up as the Hosur Treasury Officer intimated that the cost of a box similar in all respects to those now indented for would be Rs 7-8-0 or 2 Rupees more than the present estimated value (Vide this Office letter no: 304 dated 17th February 1903 and the Hosur Treasury Officer's reply no: 667 dated 24th idem, copies of which are enclosed

for reference.

3. As the District Treasury Officer represented to me in person that these boxes were badly wanted, I have in anticipation of Sanction permitted him to have them prepared and request that early Sanction of Government may be kindly obtained therefor.

4. The cost can be met from the balance remaining unexpended out of the Sum of Rs 600 provided in the current year's budget for Contingent expenses under the Subhead "Charges for remitting Treasury bags, Chests &c".

5. The old and unserviceable boxes will be sold by public auction and the Sale proceeds credited into the Treasury after the new ones are ready.

Dated 17th February 1903

No 304.

Sir,

I have the honor to inform you that out of 50 remittance boxes now in the Mysore District Treasury, three are completely broken and others are damaged, and need repairs. To repair them would not only be a patch work and also be a waste of Government money. I would therefore solicit a supply of new 50 good, strong, teakwood remittance boxes to hold Rs 6000 each, if such are available in the State Huzur Treasury. If not they have to be purchased at the local market at a cost of Rs 8/- each.
